Vice Principal Message—Ms. Terri Cote

The saying, “Time flies, when you are having fun”, holds true at Mother Teresa Middle School. The month of September has been a time to learn routines and procedures, a time to celebrate, a time to problem solve and of course a time to have FUN!

At MTMS this month we were able to achieve our social, emotional, physical and academic goals because we had 96.99% attendance. Thank you to parents, students, Mr.

Gonzales and Ms. Elias for making this goal a reality. A special thanks to our bus drivers, Lloyd and Stan for getting our students to and from school safely every day. We are so fortunate to have incredible partnerships in our

community that also help to get us to school. With the vision and financial support of the Regina District Chambers of Commerce and Community Partners; Workers Compensation Board, Yara, Shooting Stars, Haztech Fire and Safety Services, Solvera, Alliance Energy, Thyssen Mining, Bayer Crop Science and Capital GMC we were able to purchase our second bus to help with student transportation. To show our appreciation, a “Bus Unveiling” was held on September 13th to honor all those involved in this endeavor.

We are always blessed with the presence of special guests and our network continues to grow. Marc Chipman, Tom Lussier, principal of St. Paul’s High School in Winnipeg, Father Len Altalia, and Bob Puchniak toured MTMS with Mr. Hill. The Honorable Ralph Goodale, MP also made a visit. The connections and network that our students and staff make is another piece that will help each of us to be more successful in the future.

Mr. Bellavance along with Mr. Magnusson, principal of St. Micheal’s School has helped us to develop the Jesuit Principle, RELIGIOUS. Thank you to Mr. Bellavance for the mindful, morning prayer and reflection; there isn’t a better way to begin each day! We are grateful to St. Micheal’s for inviting us to celebrate with them at their opening school mass.

We want all of our students to make informed decisions and healthy life choices. Thank you to Constable Laurie Alexander, School Resource Officer and Constable Russell Hodgins for delivering a “Drug Awareness” presentation at MTMS.

There is so much to learn outside the walls of Mother Teresa Middle School. Our grade 8’s, along with Mr. Rieder and Mr. Nelson, travelled to Luther High School. They worked with the grade 11 and 12 students and learned how to use microscopes. Thank you to Luther High School for this incredible opportunity and to Mr. Reider and Mr. Nelson for making this connection. Our girls and boys football teams as well as our cross country team made us PROUD. Team spirit was evident as we watched our students cheer each other on, support

one another, engage in strategy, make plays and set goals. Thank you to the REGINA RIOT for coming to MTMS on several occasions during the football season to share their coaching expertise, drills and plays. The girls won their first game ever this year and both the boys and the girls participated in the playoffs. Congratulations to all players and thank you to Mr. Reider and Ms. Brundige for coaching football and providing support in cross country. Each week members of the cross country team set personal goals and worked towards achieving them. Thank you to

Mr. Kleisinger for helping our cross country team members realize their potential. Thank you to Mr. Nelson who has captured amazing extra-curricular memories on our digital camera. We held our first parent evening on Thursday, September 19th; 77% of our parents were in attendance. These meetings are a chance to gather in community and to share important information. Thank you to those parents who were in attendance and to those that called Mr. Gonzales. Our partnership and covenant with parents/guardians is essential for the success of each child at MTMS. We look forward to seeing ALL PARENTS/GUARDIANS at our gathering on Thursday, October 17th. Mark your calendars! Time really does fly when you are having fun!
